Subject: application for docentship in Protein Chemistry: assessors

Date: Wed, 08 Jun 2011 12:07:30 +0300

Dear Michael Jeltsch,

The Faculty Council of the Faculty of Biological and Environmental Sciences has on 7 June 2011 appointed as assessors of your application for a docentship in Protein Chemistry the following persons:

Professor Johanna Ivaska
VTT Lääketieteellinen biotekniikka/Turun yliopisto
Turun biotekniikan keskus
PL 123, Biocity (Tykistökatu 6 B),
20521 Turku
E-mail: johanna.ivaska@vtt.fi

and

Professor Veli-Matti Kähäri,
Turun yliopisto, Iho- ja sukupuolitautioppi
TYKS Iho- ja sukupuolitautien klinikka,
PL 52
20521 Turku
E-mail: veli-matti.kahari@utu.fi

I kindly ask you to submit your publications to the assessors. You can send them all the publications you wish to appeal to in your application for the docentship (please note that all the publications you send must be mentioned in the list of publications included in the docentship application). You can ask the assessors directly in which format (electronically or as paper copies) they wish to receive the publications. We will send the assessors your academic portfolio and list of publications as well as the faculty's instructions for writing the report on your scientific competence for the docentship.

Kind regards,
Tiina Avomaa, student advisor
Faculty of Biological and Environmental Sciences
