**Subject:** Reports from the assessors

**Date:** Tue, 20 Sep 2011 12:15:02 +0300

Dear Dr Jeltsch,

We have received favourable reports from the assessors concerning your scientific competence for the docentship in Protein Chemistry (please find the reports enclosed).

The next step in the process is the evaluation of your pedagogical skills by the teaching skills evaluation committee, which you have already been in contact with.

For the members of the evaluation committee I have added Dr Jeltsch's application documents to Wiki: <http://wiki.helsinki.fi/x/qRVsAw>

Sincerely,  
Tiina Avomaa, student advisor (PhD studies)
